How does the Scheme work?

Lions Clubs may involve as many young people as they find eligible at any start time during the year.

- Contact Lion Sally Marsh sallymarsh3105@gmail.com for packs of information, leaflets and logbooks.
- Contact schools and youth groups and invite them to participate, distributing promotional information, application forms and log books.
- Explain how the award scheme works, emphasising that there is minimal administration.
- At year end, collect log books from the group contact and complete all necessary paperwork.
- Send everything to your District Officer (details below), who will send paperwork through to Oak Brook.
- In return, your successful YLiS award winner will receive
 - A congratulatory letter from the International President
 - A Certificate with a Silver Seal for 50 hours of service
 - A Certificate with a Gold Seal for 100 hours of service.
- Your Club can then arrange a presentation ceremony, perhaps to coincide with a school/youth group event at which parents, teachers and governors will be in attendance.
- Contact your District Officer for assistance:
